

## Prayer at the Crib

Loving Jesus, we remember your birthday.  
Here at our crib, we thank God for Mary,  
your mother, who cared for you;  
We thank God for Joseph who listened to his  
dreams and protected you from King Herod;  
We thank God for the angels who told the  
shepherds that you had been born;  
We thank God for the shepherds  
who came to celebrate your birthday;  
We thank God for the three wise men  
who trusted and told the world about you;  
We thank God for the animals in the stable  
who kept you warm.

Baby Jesus, we thank you for coming as a baby.  
Show us how to become  
loving and caring in every way.  
Help us to grow more and more  
like you every day.  
**Amen.**
